CERTIFICATE OF PARTICIPATION AND EXPERT TESTIMONY

To Whom It May Concern,

This certifies that we participated in evaluating the translation device developed by researchers of **Portable Language Translator Device for Cebuano and Tagalog Speakers**. The experiment assessed its ability to translate Tagalog sentences of varying complexity into Cebuano.

As bilingual experts, we rated the device-generated translations based on accuracy, grammar, and context using a semantic scoring rubric.

We confirm that:

- We are proficient in both Tagalog and Cebuano.
- The translation device functioned properly during testing.
- Our evaluations were independent and based on the given rubric.
- The recorded results reflect our assessments accurately.

This certification supports the research findings. We are available for further verification if needed.

Sincerely,
